

Automatic Jack

**Low Profile,
Super Strong!**

***Push a button and this jack
does the work for you.***

FEATURES

UPG # 86025

- Plugs into 12-volt DC power source
- Lift capacity: 2000 lbs
- Wider base for increased stability as compared to other electric jacks
- Maximum 10A current draw
- 9 lbs. total weight
- Lighted Up/Down Switch with 7' cord for safety
- 4.72" high in down position and 13" high at full extension
- Added hand crank feature in case of power loss

WHY UPG'S AUTOMATIC JACK?

- Ideal for easy and effortless tire change.
- The Automatic Jack allows you to stand safely away from the vehicle while the jack does the lifting automatically. No physical contact with the vehicle - or jack - is necessary once it is located under the lift point.
